General Business

Meeting Times

During previous discussions relating to the meeting time for the Club's Monthly Meetings, members expressed a desire to limit changes to the meeting time. From a practical point of view, frequent changes to the meeting time leads to confusion about when meetings are due to start.

With this in mind, Shaun Palmer (BR659) proposed the following motion. The motion was seconded by Brian Andrews (BR652).

Motion: That the Meeting Time for the Club's Monthly Meetings can only be adjusted at the AGM.

The effect of the motion is to align the processes for setting the Annual Subscription and the Monthly Meeting Time. It will be Club policy that both are set at the Annual General Meeting.

Notes:

- 1. The Club's Monthly Meetings will be held on the second Saturday of the month.
- 2. This Policy does not relate to other Club gatherings, which may be held from time to time for the purpose of social, technical, educational, or assessment activities, or for the purpose of operating the club station.

Date of Next Annual General Meeting

The date of the next Annual General Meeting is Saturday the 11th of July 2015.
